We are offering Resuscitation Council (UK) Newborn Life Support Courses that will appeal to anyone working as a healthcare professional and / or involved in care of the newborn. Junior and senior medical staff, midwives, neonatal nurses, paramedics, resuscitation officers and experienced nursing staff will find this course valuable.

All courses are non-residential and will be held at the Education Centre, St Peter’s Hospital over one day. The course fee includes the course manual, registration with the Resuscitation Council (UK), full use of all course facilities, lectures, practical seminars, lunch, morning coffee and afternoon tea.

Parking is pay on exit and non-refundable.

How to book a place

NB. No telephone bookings will be taken

Please return the application form with the full course fee and two recent passport photographs of yourself. Your place will be confirmed to you in writing. The closing date for applications is five weeks prior to the commencement of the course.

Payment of £250.00 can be made online by BACS with GMC/NMC number/NLS/M15 as reference: Account No: 30138019 Sort Code: 60 05 17: NatWest Bank. Please return booking form and the screen shot of bank reference of BACS transaction to Gladys.essien@asph.nhs.uk.

If you prefer cheque payment please make cheques payable to: Oliver Plunkett Postgraduate Centre Charitable Trust and return with the application form to:

PLEASE NOTE:
Course fees are NON-RETURNABLE.
RESUSCITATION COUNCIL (UK)
Newborn Life Support Course

SYLLABUS

Aim
The aim of the course is to give those responsible for initiating resuscitation at birth the background knowledge and skills to approach the management of a newborn infant during the first 10-20 minutes in a competent manner. The course concentrates on the importance of temperature control, practical airway management and ventilatory support.

Pre-Course Preparation
This course is held over 1 day and consists of lectures, practical stations and assessments. A manual is forwarded to you in advance of the course and you will be advised to study this thoroughly. You will receive an email giving you access to the Resuscitation Council e-learning site. You MUST also complete the pre-course MCQ before attending the course (available on the e-learning site).

Remember, No completed question sheets, no course.
The pre-course test does not form part of the final assessment and can be completed with reference to the manual.

Curriculum
Topics covered on the course include:
History & Physiology
Resuscitation at Birth
Special Cases
Intubation
Airway Management
Vascular Access
Equipment Familiarisation
Chest Compressions

All candidates who successfully complete all assessments will receive certification from the Resuscitation Council (UK).

PLEASE NOTE:
Candidates have to attend all lectures and skill stations to successfully complete the course. If you fail to attend any part, you will not be allowed to complete the rest of the course.
